TEST WELL WILL BE DOLLED AT CUBERO

Clover, N. M., March 23.—One of the most important oil developments in the history of eastern New Mexico was consummated at Amarillo when a contract was signed between A. D. Whitten of Tulsa, Okla., and John Whitt of Clover and Chester Halls, John Dahl and C. B. Cox, operators of Wichita Falls, Texas. Under the terms of this contract a deep test well is to be drilled at Cubero in Guadalupe county, on a block of acreage furnished by Beatrice A. A. Jones and Henry W. Kelly, known as the Preston Block grant, which was recently leased to Whitten and White under drilling contracts. The deal was made by Curran and Young of Clover, who have also negotiated a contract between the Clover Oil company and the Wichita Falls oil operators to drill a deep test at Tubb in the same county, actual drilling to begin by May 3. Under this former contract the operators have four months in which to erect a 26-foot derrick and begin drilling. Mr. Dahl and his associates have the record of drilling 27 wells in Wichita county, including 17 consecutive producers. They report that oil operators everywhere are turning their eyes toward New Mexico, where geologists have reported that the next great oil fields will be found.

DEMOCRATIC EDITOR NOT FOR HOT-TIED PAPER

D. K. B. Sellers, of Albuquerque, wants to start a Democratic paper that will stand behind for any demands made upon it by Democratic politicians. It appears that the Democratic drivers of the state are having a hard time to get a "willing mind" among the publishers of the state. We are confident that they will have to get some man who does not know where the x box is before they can find the subservient spirit that they desire. The people in general have very little use for a gang-controlled paper.—Tribune.

NOTICE TO VOTERS ON THE WATERWORKS BOND ISSUE

You are entitled to vote for a new waterworks and sewerage system if you can exhibit a receipt for taxes paid on either personal property or real estate between April 5, 1932, and May 6, 1932. It does not make any difference WHICH year you paid for, but as the receipt is on or between the two above named dates. Judge C. C. Rogers has a list made out of all taxpayers, but on account of possible inaccuracies, have your receipt with you.

Dr. Clothier Chosen President of New Mexico A. and M.

Las Cruces, N. M., March 22.—Dr. H. W. Clothier of the University of Mississippi today was chosen president of the New Mexico College of Agriculture and Mechanical Arts by the board of regents at a meeting here. He succeeds Dr. Austin D. Gills, who resigned March 1.

Dr. Clothier is a graduate of the Kansas State Agricultural College. He has also been connected with the University of California, and Cornell.

War Camp Community Service, New York, March 22, 1932.

Mrs. J. R. Blair, Columbus, N. M. My Dear Mr. Blair—The board of service program for Columbus for three months from February 1, 1932, to May 31, 1932, has received the careful attention of our activity specialists and budget advisors. It gives me real pleasure to an-

Columbus K. of P.

Lodge 42 Held Big Event Last Week

Representatives From Lordsburg, Deming, Hurley and Tynone were Regularly Entertained.

BRAVE LOCAL MEN RIDE GOAT

Chancellor Commander and 31 Of. Officers and Knights and a Pair of Neophytes Drove Over From Lordsburg; Columbus Knights of Pythias Greeted Them With Glory Entertaining in a Royal Manner the Delegates to District Convention Knights of Pythias.

The following account of the K. of P. dinner last Thursday night in Columbus was written by W. F. Hull, one of the planners of the order. The Courier hopes that some day the lodge will appoint a local correspondent or, if not, the Courier will employ one K. of P. reporter in the future, because we simply must have K. of P. news, and Lordsburg and the Liberal are too far away for quick service.

Representatives of the order were present from Lordsburg, Hurley, Tynone and Deming and all of the visitors unfolded in a rising vote of thanks expressive of their appreciation of the courteous manner in which they were treated by their hosts.

The amplified third was conferred upon four candidates, two from Columbus and two from Lordsburg, the neophytes from this city being Alvin Edward R. Mitchell and Albert L. Jones. Columbus officers exemplified the work upon the Columbus candidate, James L. Greenwood, occurred at the king's court, while the Lordsburg candidates were initiated by our home team with Chancellor Commander John R. Boyd occupying the throne. The work of both teams was of the kind that inspires Pythianism.

Following the first initiation, an elaborate luncheon was served to the hosts to which every one present did ample justice.

Chancellor Commander John R. Boyd and 31 officers and Knights and two neophytes composed the Lordsburg party, which included Chancellor Commander John R. Boyd, Major M. M. Crocker and Messrs. B. B. Owsley, E. M. Watson, L. P. Jackson, R. A. Egan, J. L. Glatther, J. R. Owsley, William Blackburn, R. B. Owsley, E. L. Jones, M. P. Walker, H. W. Lachland, Wade B. Smith, E. M. Fisher, J. F. Wenderman, Charles Burch, Glen Ross and W. F. Hull. The neophytes who were duly created Knights in a manner that will cause them to have an exalted opinion of this great fraternity were Alvin Edward R. Mitchell and E. L. Jones. "A number of patriotic and highly inspiring addresses were made by representatives of all the lodges present."

"The cars going from Lordsburg were 'Cash' Watson's Overland 4, Wade Smith's Nash, J. R. Owsley's Nash, Marion Walker's Nash and Albert Jones' Studebaker. It was a delightful trip both going and coming although those who drove home in the wee small hours Friday morning were a trifle sleepy the next day. Messrs. Watson and Boyd accepted the cordial hospitality of Mayor and Mrs. J. R. Blair for the remainder of the night. L. P. Jackson and R. A. Egan remained as guests of Mr. and Mrs. Norwood of Columbus."

Speaks Well of John Cox.

Columbus, N. M., March 23, 1932. Editor Courier:—Dear Sir:—I hear that John H. Cox has or will announce the fact that he is a candidate for the village board. I wish to say that John Cox will be a good man on the board. In the first place, he is amenable to reason; he is a mechanic; he understands water systems. I am with him and for him and there will be others when it is known he is a candidate. Good him for the good of Columbus.

SLEEPY OLD DOBBIN AWAKENED BY A FORD

East Las Vegas, N. M., March 22.—Plodding along at a sleepy gait, the horse of Teodoro Madrid was awakened from dreams of better days when the Ford car driven by Guillermo Garcia struck the rear of the buggy. The horse began to run and kick and entirely demolished the buggy. Madrid's 14-year-old son and two younger boys escaped without injury. Driving on the wrong side of the road was the cause of the accident. Garcia had brought his car almost to a stop when it hit the buggy.—Journal.

SILVER CITY MAN WILL HANG APRIL 23

Antonio Carpio, convicted of the murder of Elmer Rios, by the district court, was sentenced by Judge Hoffman to be hanged on Friday, April 23, says the Silver City Enterprise. When asked if he had anything to say before sentence should be passed upon him, Carpio shook his head. After the sentence had been pronounced, however, Carpio made an effort to speak, but was unable to do so.

Application for an appeal to the supreme court was made and granted.

Antonio Carpio, on trial in the district court for the murder of Elmer Rios at a dance at Central on the night of August 2, 1930, was found guilty of murder in the first degree last Tuesday afternoon. The jury was out only 12 minutes.

The verdict came as a surprise to many of those who had listened to the evidence and a drama play of self-defense had been made by George Fales, of Deming, attorney for the defendant.

The fact that Carpio had gone to the dance armed with a revolver and a pair of brass knuckles was most damaging to him. Also the fact that the man who was killed was not the one whom Carpio was trying to kill weakened his plea of self-defense.

Carpio claimed that the gang at the dance were all after him and that the shooting was done when he believed his life was in danger.

A special venire was required to secure the jury which was composed of the following:

C. W. Harriott, Thomas Smith, C. O. Bills, T. H. Higgins, R. H. Conley, J. H. Pritchard, Frank Alexander, Ed Flynn, Jr., George Coffin, H. M. Iverson, Pete McFarland and Gifford T. Himes.

District Attorney J. S. Vaughn conducted the prosecution. Judge Edwin Mochter, of Alamogordo, occupied the bench.

This is the last criminal case in the docket set for the present term. Court will convene at 9 a. m. Monday for the purpose of trying civil cases.

Chap Stealing Case.

Samuel C. Pruitt from Buckhorn was convicted of stealing from Ray Grayson, deputy sheriff, a pair of chaps. The jury found him guilty, but fixed the value of the chaps at less than \$50, which probably saved the defendant from a penitentiary sentence. He was fined \$100 and sentenced to serve 90 days in the county jail.

The present term has been the shortest in the history of Grant county and probably the first in which the criminal docket has been cleared of all cases ready to go to trial. It is expected that before the court finds are exhausted that a number of long standing civil cases will be disposed of. Judge Lynn is expected to be here to try the civil cases.
